# Revised Kent Senior Men CAU 9<sup>th</sup> March Selection Criteria

**Reminder** - you will be aware that following the CAU reducing the distance for the Senior Men to 10km, Kent decided to use the Kent and Surrey League races on 9<sup>th</sup> February as the second qualifier for the team selection.

However the CAU have imposed a closing date of 1<sup>st</sup> February and despite approaches will not change it. This means we will again have to alter our qualifying criteria.

So for Senior Men we will be using three races, Kent County Championships on 5<sup>th</sup> January, SEAA Championships on 26<sup>th</sup> January and Kent/Surrey League races on 9<sup>th</sup> February. As the final race is after the closing date we intend to select 15 athletes after the SEAA event who will be entered for the CAU race. The team of nine will then be selected after the league races on 9<sup>th</sup> Feb with the remaining six being reserves. This should give us the best team for a 10Km race.

Possible selections will appear on the KCAA.org.uk website shortly after the Kent Champs with final selections after the SEAA and cross country league races.

# Kent County Cross Country

Sat 5<sup>th</sup> Jan. 2019

## Brands Hatch

The courses are almost entirely on grass, with only a couple of gravel tracks to be crossed. After heavy rain the gravel tracks will have literally 3-4 inches of water in them. The grass seems to drain very well. The top area where the Start/Finish etc. are located, is flat and fast, but the course does drop down to the NW corner, and there is a 500m gradual climb back up. The area is very exposed, almost no shelter, so winds can be chilling.
